

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director of Training

DATE: 12 September 1951

FROM : [REDACTED]

SUBJECT: Activities Report

1. I had a session the morning of 11 September with [REDACTED] of O/SO on the security problems arising out of the summer seminar. We reached agreement as to a course of action, namely: that he was to report this to the Air Force Liaison Officer for the Agency, and that I was to report the details to Colonel Edwards, which I did.

2. The relations between the Office of Training and Mr [REDACTED] are, in my opinion, very good. He understood the situation which developed on the security briefing and does not hold this against us. He was also pleased that the Office of Training took pains to brief him on the situation and was concerned with the security problem.

3. I discussed the security problem concerning the O/PC candidate with Mr [REDACTED] who suggested that I meet with other O/PC representatives. We discussed not only security, but other aspects of the course, with a view toward their further participation in the event that a continuation of this project is approved.

4. I have written up a notice to the AD's for your signature regarding Dr. [REDACTED] course. I passed it on to [REDACTED] for his comments and for forwarding to you. The more I think about it the less inclined I am to recommend that we put this one out. If the Office of Training is going to do this for one course, it should select all of the courses that may benefit other people and tabulate them so that individuals could select from a consolidated list. This idea could lead to all sorts of complications and could put the O/TR into an educational directory service.

5. I am sorry I did not get to say goodbye to you, but I did not know you were going to be away. I left a copy of my orders with [REDACTED], and Captain [REDACTED] knows where to reach me at Lowry Air Force Base. I shall return to duty on 4 October.
